

STEP 1:

Open the SEC-USA App and click “Login”. From there, you will be routed to the **User Login** page.

STEP 2:

Click “Forgot Password?” You will be routed to the **Forgot Password** page. Enter the email address associated with your account. Press “Submit”.

STEP 3:

You will then be sent an email to set up a new password.

STEP 5:

Return to the SEC-USA App and log in with your new password.

STEP 4:

Select “Click Here” and you will be routed to the **New Password Setup** page. Create your new password and press “Submit”.
